

# International Pet Transport

At Britannia we appreciate how important your pet is to you. If you've decided to move abroad it's likely you will be taking your pet(s) with you and as a valued customer Britannia tries to support you in all aspects of your move.

Pet Air UK is run by fully qualified veterinary surgeons and complemented by an exceptional team of animal healthcare professionals, the majority of which are fully qualified veterinary nurses. They specialise in pet export arrangements including all necessary veterinary documentation and as such Pet Air UK are uniquely placed to look after your pet's travel needs.

Pet Air UK operates a 'one of the family' policy, where all animals are treated with the same respect and care as our own pets. We know how much it means to you that your beloved pet arrives safely and by using Pet Air UK you can assure yourself you are providing the very best care for your pet.
