Britannia in Singapore

Britannia can offer you a door to door service to Singapore, and can either ship your effects by shared load (groupage) or by full container load. In addition we can offer a door to door airfreight service. Our agents in Singapore will arrange customs clearance, and deliver and unpack the effects, including removal of debris on day of delivery.

Importing Personal Effects

Shipments of used household and personal effects can be imported duty free provided the shipper holds an employment pass less than 6 months old, to allow GST Relief. For returning Singapore Nationals, proof of employment and residence abroad for more than 6 months must be provided. Your local Britannia Member will provide you with detailed customs regulations.

All necessary documentation must be completed and submitted when requested, before your shipment is dispatched. Please note that you must be in the country in order to successfully complete all customs clearance procedures. All books, CDs, videos, DVDs and magazines are subject to physical inspection and should be packed in to separate cartons and marked clearly. There will be a charge for this inspection.

Documentation

Britannia and our agents will assist you with completion of customs formalities. To assist us with this please let us have a copy of your passport (and visa if applicable).

The required documentation will be supplied to you on arrival. To avoid any potential additional charges and delays it is advisable that relevant forms are completed and returned promptly to our Agents.

In general it is in your interest not to import the following items:

- Firearms & ammunition
- Inflammable goods & substances
- Plants & plant material
- Foodstuffs, perishables or otherwise
- Alcohol, narcotics and dangerous goods

Transit Times

Groupage or shared load containers usually take an average of 8 – 12 weeks door to door. However, this can vary depending on volumes being shipped, customs or immigration delays and prevailing weather conditions. Sole use container loads take on average 4 – 5 weeks door to door.

Tracking Consignment

All groupage consignments will be bar coded before they are loaded into the shipping container. This will ensure that no items are left at origin and allow Britannia to check the status of your goods in transit.
