Welcome to Britannia in Turkey

Britannia In Turkey

Britannia has established a long standing and successful relationship with a network of local Turkish companies, who can assist you with the delivery of your effects if required. Our agents in Turkey will arrange customs clearance and deliver and unpack the effects, including removal of debris on day of delivery.

Importing Personal Effects

Shipments of household goods and personal effects are allowed duty free entry, provided that they have been owned and used for at least twelve months prior to importation.

All necessary documentation must be completed and submitted when requested, before your shipment is dispatched. Please note that you must be in the country in order to successfully complete all customs clearance procedures.

Documentation

Britannia and our agents will assist you with completion of customs formalities. To assist us with this please let us have a copy of your passport (and visa if applicable).

The required documentation will be supplied to you on arrival. To avoid any potential additional charges and delays it is advisable that relevant forms are completed and returned promptly to our Agents.

Prohibitions and Restrictions

In general it is in your interest not to import the following items.

- Firearms & ammunition
- Inflammable goods & substances
- Plants & plant material
- Foodstuffs, perishables or otherwise
- Alcohol, narcotics and dangerous goods
- Pornography

Transit Times

Groupage or shared load consignments usually take 8 to 12 weeks door to door. However, this can vary depending on volumes being shipped, customs or immigration delays and prevailing weather conditions. Sole use containers usually take 3 to 6 weeks door to door. Please be aware that customs clearance normally takes between 10 and 15 days.

Tracking Consignment

All groupage consignments will be bar coded before they are loaded into the shipping container. This will ensure that no items are left at origin and allow Britannia to check the status of your goods in transit.
